0.459 Request that submitted material be withheld from Public Inspection

Product: 5375A MaxiProx Proximity Reader

It is requested that the following material be withheld from public inspection:

**Description of the MaxiProx, Circuit Functions, how the device operates,
Ground System, and Antenna**

Block Diagram

Schematic

These materials are considered HID Corporation Proprietary and Confidential.

Revealing the fundamental design for the product to the public and our competition would put us at a competitive disadvantage.

We feel we have a product cost/design advantage over our competition with our MaxiProx Proximity Reader and therefore ask that the above-specified materials be withheld from public inspection.
