Solder Board-Component View 2	 A photograph of a green circular printed circuit board (PCB) with several electronic components soldered onto it. The components include a microcontroller, several resistors, and a small LED. The PCB is placed on a blue textured surface next to a black L-shaped ruler for scale. The ruler has markings in millimeters (0 to 100) and centimeters (0 to 10).
Antenna View	304.25MHz Antenna  A photograph of the same green circular PCB from a different angle, showing the underside. Two large, white, circular components are visible, labeled 'CR2032'. A red line points from a text box labeled '304.25MHz Antenna' to one of these components. The PCB is placed on a blue textured surface.
