REF: YAESU MUSEN CO. LTD.'S FCC ID: K66VX-800U-2
Confirmation #: EA98504

To Whom It May Concern:

When we submitted the application for approval for the above mentioned FCC Identifier, we inadvertently entered the wrong emission designator on the 731 form.

We entered 16KOF3E (Item 12 on the 731 form) and it should have been 16KOF3E. This letter is to request that the 731 form be corrected.

Thanks and if you have any questions, please advise.
