Desmond Fraser
Rhein Tech Laboratories, Inc.
360 Herndon Parkway
Suite 1400
Herndon, VA 20170

January 10, 2005

Dear Mr. Fraser:

This is to inform you that the only changes to the VEGAPULS 62 and VEGAPULS 68 will be the addition of the parabolic antenna which for both units is listed in the model codes as Version/Material "K".

Sincerely,

A handwritten signature in cursive script, appearing to read "Ken Geiger".

Ken Geiger
Certification Project Coordinator
