

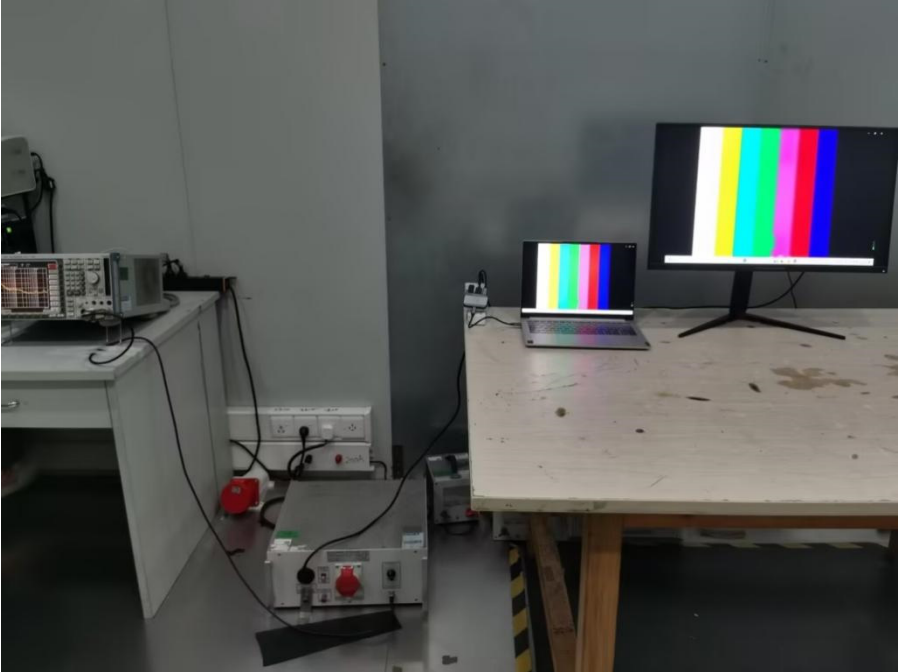

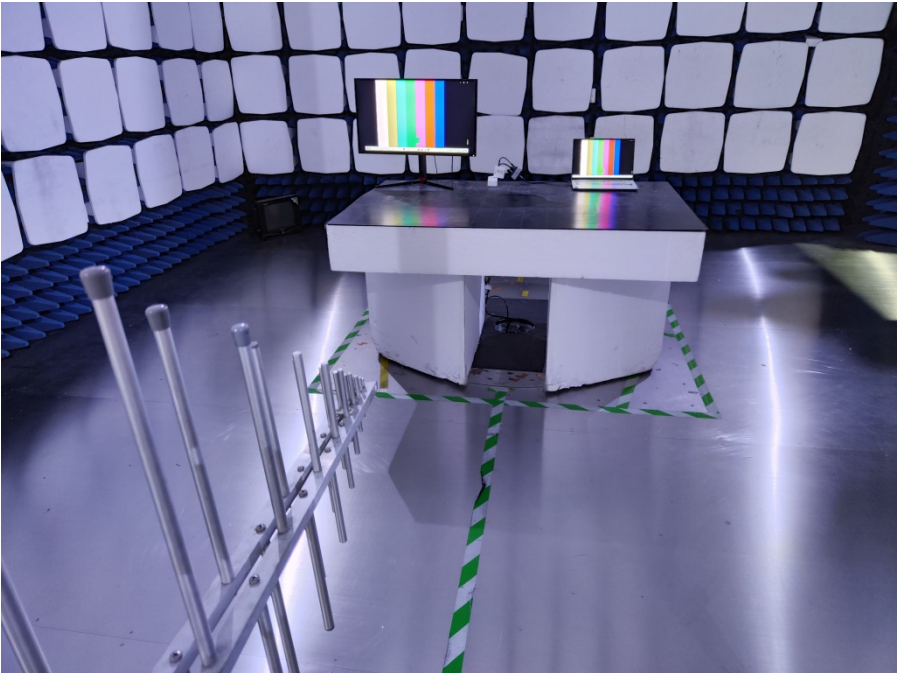

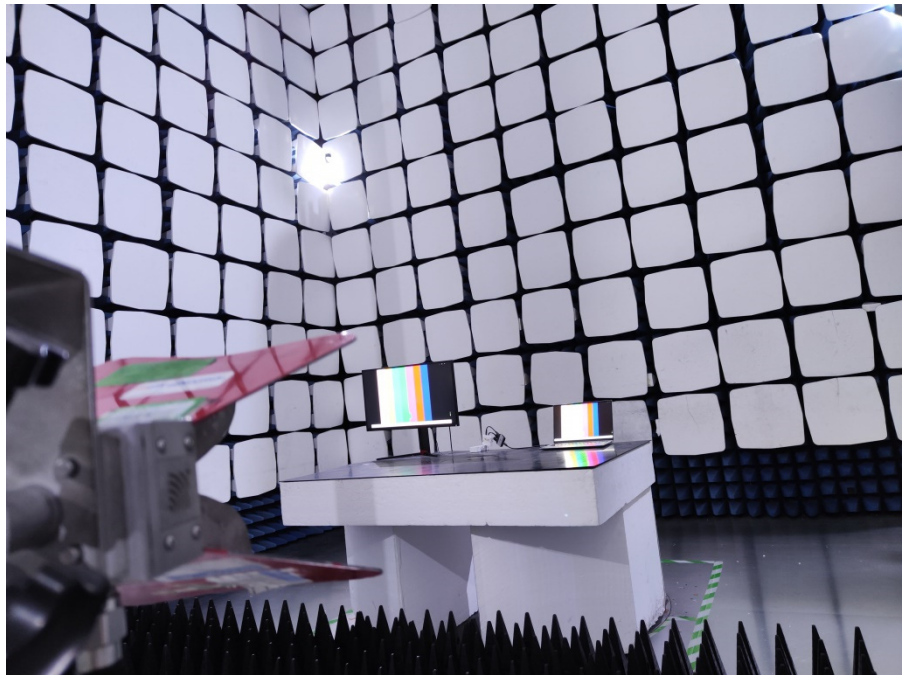

EXHIBIT 4 - TEST SETUP PHOTOGRAPHS

Conducted Emission Test Setup	 A photograph showing a laboratory setup for conducted emission testing. On the left, a piece of electronic equipment sits on a white desk. In the center, a power supply unit is connected to a device under test. On the right, a wooden table holds a laptop and a monitor, both displaying a color calibration chart. The background is a plain grey wall.
Radiation Emission View(Below 1GHz)	 A photograph of a radiation emission test chamber. The interior walls are lined with white, curved, absorptive material. A white table in the center holds a monitor and a laptop, both displaying color calibration charts. The floor is metallic and reflective, with green and white striped safety tape marking a path. In the foreground, a metal frame with several vertical rods is visible.
