Re: Change of Identification Request for ZQANC51

Dear Examiner:

Pursuant to Section 2.933(b) of the Commission's rules, Google LLC seeks a new FCC ID A4RNC51 for a currently authorized device (i.e., FCC ID ZQANC51). The original grant will remain in effect. Per Section 2.933(b):

1. The original identification is ZQANC51.
2. The original grant date is 12/1/2017.
3. The equipment is electrically identical. Only the trade name and FCC ID are different.
4. The original test results are applicable and representative of the device.
5. Exterior photographs and label format are included with this application.

Please do not hesitate to contact me with any questions.

Sincerely yours,

John McNulty
