Re: Change of Identification Authorization

FCC ID: J9CQSIP7180P

To Whom It May Concern:

This letter grants authorization for representatives of HP Inc. to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules. This authorization applies to Qualcomm Technologies, Inc., 7c Modular Platform, FCC ID J9CQSIP7180P, granted on 10/13/2020. The module's new FCC ID will be B94-TNH101QSPB. The equipment is electrically identical the only change being the labels on the device. The original test results continue to be representative of and applicable to the changed equipment.

Best Regards,

A handwritten signature in black ink that reads "Stanley Lin".
