Mr. Andy Leimer
Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

Dear Mr. Leimer:

The Federal Aviation Administration (FAA) Office of ATC Spectrum Engineering Services has reviewed the Rockwell Collins application for Certification of the HST-2120 Aeronautical Satellite Communications Transceiver, Federal Communications Commission ID number AJK8222233. The technical data for this equipment is consistent with the spectrum requirements for this system and the FAA has no objection to the certification of this device as requested by Rockwell Collins.

If you require any additional information, please contact Mr. Robert Frazier, Manager, Spectrum Planning and International Office, at (202) 267-9722.

Sincerely,

Oscar Alvarez
Action Director, ATC Spectrum
Engineering Services
