

# Antenna Desrcibe

## 1. Antenna Describe

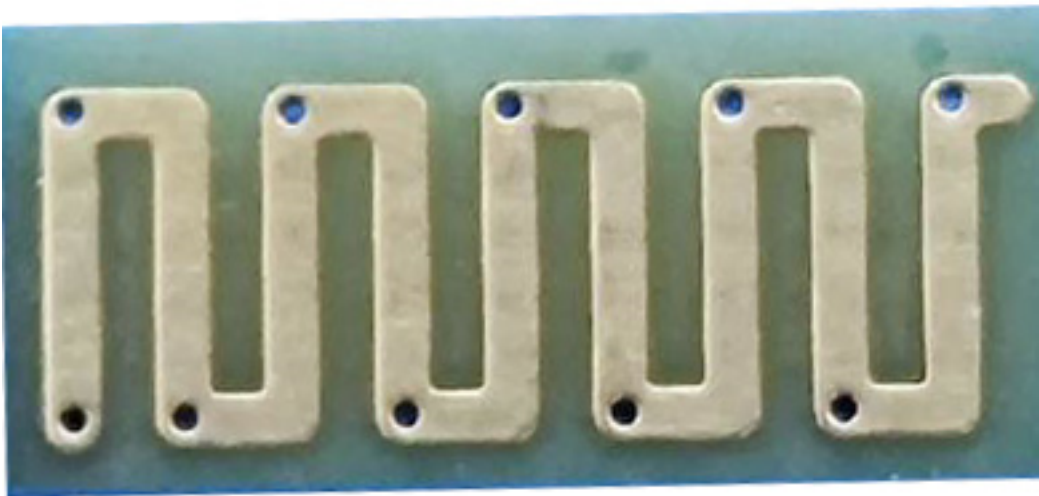

|                                        |                                                             |
|----------------------------------------|-------------------------------------------------------------|
| Antenna                                | PCB Antenna                                                 |
| Antenna Gain                           | 0dBi                                                        |
| Frequency Range                        | 2.4GHz-2.483GHz                                             |
| Connect Type                           | Direct                                                      |
| Model Name                             | BF-GT001                                                    |
| Manufacture                            | PO FUNG ELECTRONIC (HK) INTERNATIONAL GROUP COMPANY LIMITED |
| Location of measurement (company Name) | PO FUNG ELECTRONIC (HK) INTERNATIONAL GROUP COMPANY LIMITED |

Manufacturer Address

Room 1508, 15/F, Office Tower II, Grand Plaza, 625 Nathan Road, Kowloon, Hong Kong
