**Subject:** EA 95321  
FCC ID #: OOX-NCL1100  
Change request to Form 731

Dear Joe,

I am submitting this memo to request a change to the original FCC Form 731 filing I submitted.

On the original Form 731, item 12 had the Rated RF Output Power to be .032 watts.

I request the filing to be changed to read... .050 Rated RF Output Power.

I apologize for the need to have a change request.

**Jim Blaha**
