

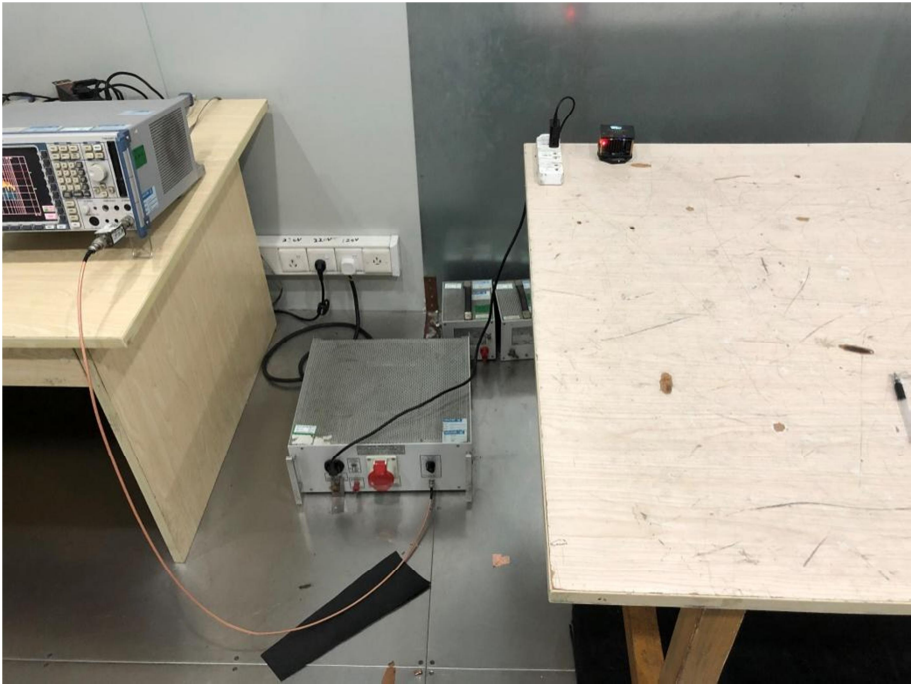

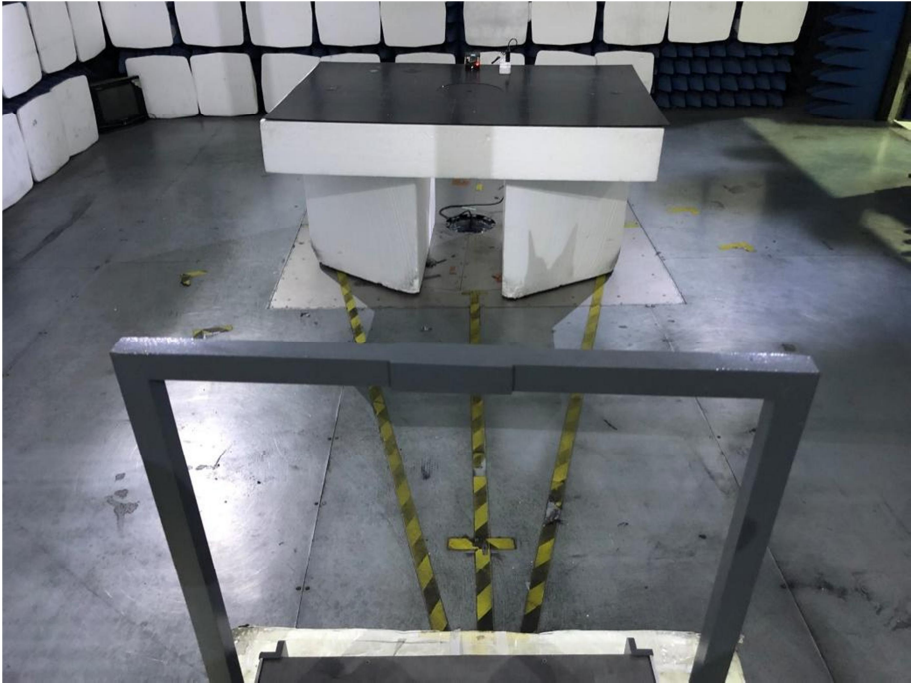

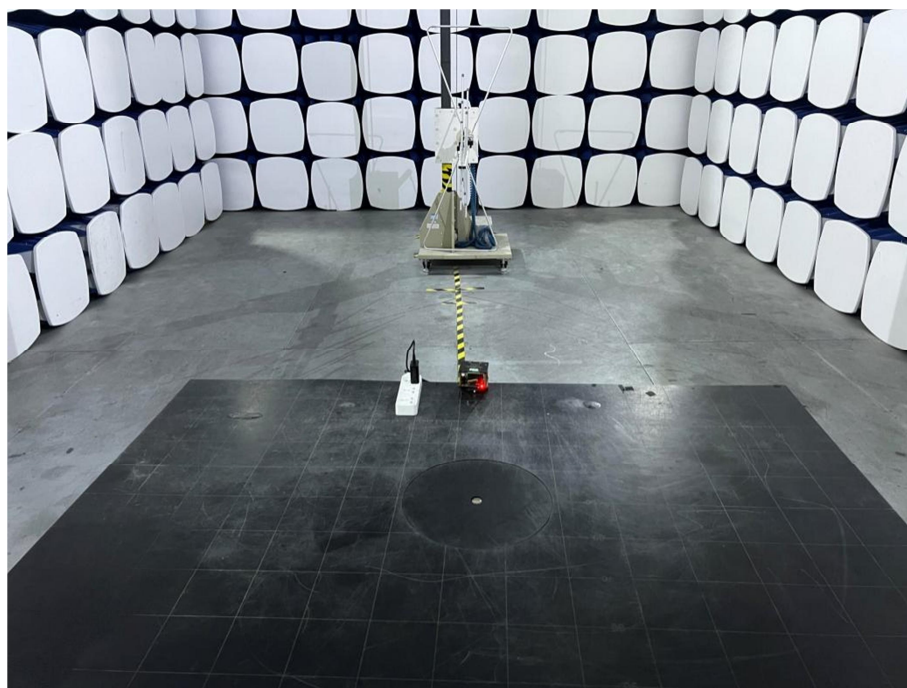

EXHIBIT 4 - TEST SETUP PHOTOGRAPHS

Conducted Emission Test Setup	 A photograph showing a conducted emission test setup. On the left, a wooden bench holds a spectrum analyzer. A red cable connects it to a power supply unit on the floor. To the right, another wooden bench holds a small black device connected to the power supply. The background shows a wall with electrical outlets.
Radiation Emission View (Below 30MHz)	 A photograph of a radiation emission test setup. A white, box-like test chamber sits on a metal stand. The stand has yellow and black striped safety tape on its legs. The background shows a room with white acoustic foam panels on the walls.

**Radiation Emission
View (30MHz to 1GHz)**
