Subject: RE: New Application for FCC ID: L5C0668TX "Ansen Electronics Company"

I have reviewed the information and the administrative issues are below:

1. There was not a block diagram included.
2. The PO did not have a number on it. We have to have a number to include on the invoice. Please submit a revised PO.

Marianne T. Bosley

EMC Administrator

410-354-3300, ext. 412
