Dear Linda Elliott:

This is in response to your email message regarding FCC fee needs to be paid before this application can be granted.

Please be advised I filed the subject application and mailed Mellon Bank the FCC Form 159 with credit card authorization on October 17, 2000. Attached find copy of Form 159 with credit card authorization. Does your comment mean Mellon Bank has not yet processed this credit card authorization or does it mean there is some unknown problem with the credit card authorization? Please confirm exactly what is the problem to enable my prompt handling of this matter. Thanks you for your attention and cooperation in this matter.

Sincerely yours,

Richard Mullen
