**RE: Application for Class II Permissive Change
FCC ID: N7NHL8548**

Dear Sir/Madam:

Sierra Wireless is submitting an application for Class II Permissive Change to our wireless module, model HL8548 (FCC ID: N7NHL8548), originally certified on October 10, 2014.

The changes filed under this application are as follows:

- Add a carrier board to provide the mini PCI express interface to the module.
- Minor component placement relocation for solve the issue of GSM900 ModSpec and WCDMA sensitivity degradation

We have verified the all the FCC test cases and make sure the new hardware has the same performance with the original FCC ID.

Please contact me if you have any questions or need further information regarding this application.

Best Regards,
