Solder Board-Component View 4	 A photograph of a USB dongle component on a blue textured surface. A black ruler is placed vertically to the left of the component, showing measurements in millimeters. The component is a small circuit board with a USB connector on the right side. Various components like a microchip, capacitors, and a small antenna are visible on the board.
Antenna View	LTE Antenna  A photograph of the same USB dongle component from a different angle, focusing on the antenna area. A red box highlights a specific component on the board, and a red line points from the text 'LTE Antenna' to this box. The component is a small, rectangular antenna module. The board also features a large silver-colored component and various other electronic components.
