

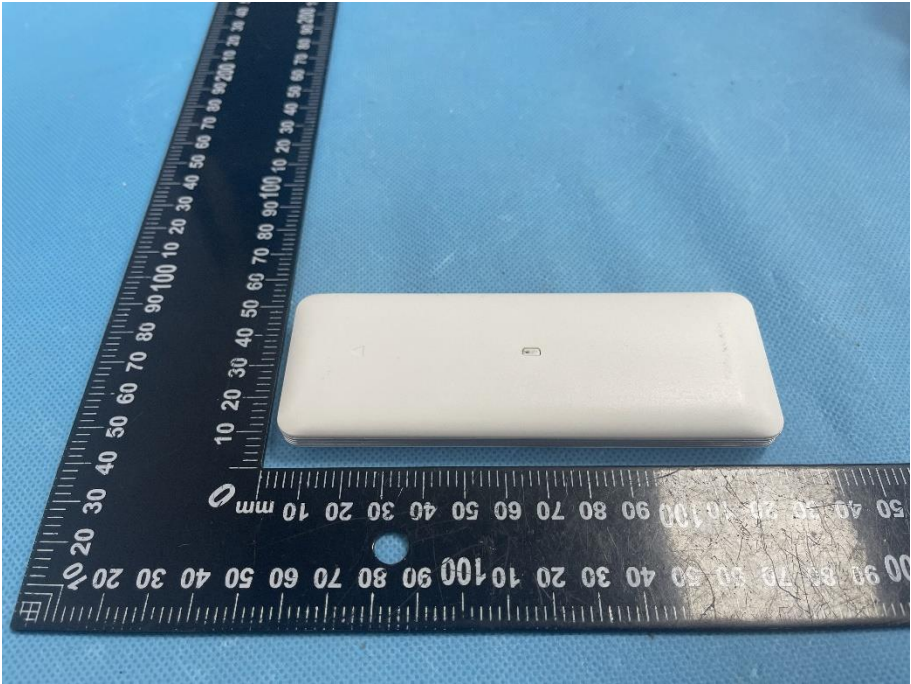

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing the front of a white, rectangular electronic device (EUT). The device has three small, square buttons arranged vertically in the center. Below the buttons, the word "gaviota" is printed in a small, lowercase font. The device is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in centimeters and millimeters, with the device's width being approximately 40 mm.
EUT View 2	 A photograph showing the back of the same white, rectangular electronic device (EUT). The back is plain white with a small, faint circular mark near the top center and a small, faint triangular mark near the bottom center. The device is placed on the same blue textured surface next to the same black ruler. The ruler shows measurements in centimeters and millimeters, with the device's width being approximately 40 mm.

EUT View 3	 A photograph showing a white, rectangular electronic unit (EUT) placed vertically on a blue textured surface. A black L-shaped ruler is positioned next to it for scale. The ruler's vertical scale on the left ranges from 0 to 100 mm, and the horizontal scale at the bottom also ranges from 0 to 100 mm. The device is approximately 100 mm high and 20 mm wide. A small, faint mark is visible on the front face of the device.
EUT View 4	 A photograph showing the same white, rectangular electronic unit (EUT) placed horizontally on a blue textured surface. A black L-shaped ruler is positioned next to it for scale. The ruler's vertical scale on the left ranges from 0 to 100 mm, and the horizontal scale at the bottom also ranges from 0 to 100 mm. The device is approximately 100 mm long and 20 mm wide. A small, faint mark is visible on the front face of the device.
