Re: FCC ID: QMNRM-125
Applicant: Nokia Inc.

We hereby certify that transceiver FCC ID: QMNRM-125 fully complies with 47CFR22.921. Nokia has received approval for its alternate 911 call completion method (DA 00-132 released January 28, 2000) and has incorporated the required modifications.

Sincerely,

Kim Schulze
R & D Technical Manager
Product Development
