

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing two white plastic components of an External Under Test (EUT) device against a blue background. On the left is a larger, elongated component with a grey circular area in the center containing the numbers 1, 0, 2, and 3. To its right is a smaller, U-shaped component. A black ruler with white markings is positioned vertically and horizontally to provide scale. The vertical ruler on the left shows markings from 0 to 100 mm, and the horizontal ruler at the bottom shows markings from 0 to 100 mm.
EUT View 2	 A photograph showing the same larger, elongated white plastic component from EUT View 1, positioned vertically against the blue background. The grey circular area with the numbers 1, 0, 2, and 3 is visible. A black ruler with white markings is positioned vertically to the left of the component, showing markings from 0 to 100 mm.
