Request for Limited Modular Approval for FCC ID: GKR-CAX00NFC

Item	Requirements	YES	NO	Remark
1	The modular transmitter must have its own RF shielding.		V	The module has been installed in the host device (equipment: Rugged Tablet, brand: COMPAL , model: CAX00), and does not have its own shielding case for Limited Modular Approval, please see exhibition external photos.
2	The modular transmitter must have buffered modulation / data inputs.	V		
3	The modular transmitter must have its own power supply regulation.	V		
4	The modular transmitter must comply with the antenna requirements of the Section 15.203 and 15.204(c).	V		
5	The modular transmitter must be tested in a stand-alone configuration.		V	The module was tested in the host device (equipment: Rugged Tablet, brand: COMPAL , model: CAX00) because this is limited modular approval with the mentioned equipment.
6	The modular transmitter must be labeled with its own FCC ID number.	V		
7	The modular transmitter must comply with any specific rule or operating requirements applicable to the transmitter and the manufacturer must provide adequate instructions along with the module to explain any such requirements.	V		
8	The modular transmitter must comply with any applicable RF exposure requirement.	V
