Dear Sirs and/or Madams:

Some of the material included in this application contain trade secrets and proprietary information not customarily released to the public. Because public disclosure of the material might be harmful to the applicant and provide unjustified benefits to its competitors, it is requested that the following be withheld from public disclosure:

Circuit Descriptions and Theory of Operations
Schematic Diagrams
Block Diagrams

Trade secrets and proprietary information can be held confidential. Therefore, we wish to invoke the act under the provisions of 47CFR, Sections 0.457(d) and 0.459.

Please contact the undersigned if you have any questions or need any further information.

Regards,
