

FCC Statement

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.

Note : This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates,uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

**Safety Warning**  
When you notice an unusual smell, overheating or smog, turn off the power immediately.  
Do not use in extremely hot and cold environments, such as near fire or lit cigarettes;  
Do not drop, throw or bend;  
Try to use it in a clean, dust-free environment to prevent small items from falling into the terminal;  
Do not use it near medical equipment without permission.

**Statements**  
The company is not responsible for the following actions  
Damage caused by use and maintenance without the conditions described in this guide;  
The company will not be responsible for any damages or problems caused by the alternatives or consumables (not the original products or approved products provided by the company).  
Without consent of the company. It is not authorized to make product modifications or changes.

**Disclaimer**
