Go 2 LTE/WiFi Security Camera

Go 2 LTE/WiFi
Security Camera

Screw
Mount

Screw
Kit

Rechargeable
Battery

Note: To access the mobile broadband network, your Go 2 Camera requires an activated SIM card.

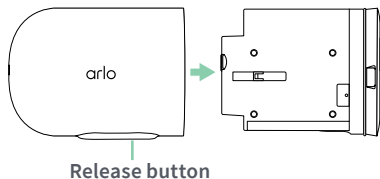

Indoor charging cable

May 2021

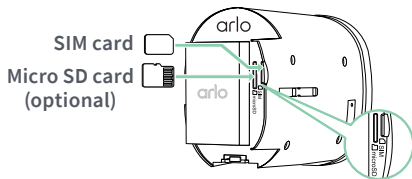

BETA DOCUMENT

Installation

1. Press the release button and separate the camera from the camera housing.

2. Insert the battery.

3. For LTE access, verify that the SIM card is installed and activated.
4. Insert the camera back into the housing.

Set up your Go 2 Camera

1. Download the Arlo app and follow the setup instructions for your camera.

2. We recommend charging the battery indoors before mounting your camera.
