

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS**EUT Housing and Board
View 1****EUT Housing and Board
View 2**

Solder Board-Component View 1	 A photograph of a small blue printed circuit board (PCB) component, labeled 'Solder Board-Component View 1'. The board is rectangular and populated with various electronic components, including a large silver component on the left, several integrated circuits, and surface-mount components. It is placed on a blue textured surface next to a black ruler with white markings in millimeters. The ruler shows measurements from 0 to 100 mm.
Solder Board-Component View 2	 A photograph of a small blue printed circuit board (PCB) component, labeled 'Solder Board-Component View 2'. The board is rectangular and populated with various electronic components, including a large silver component on the left, several integrated circuits, and surface-mount components. It is placed on a blue textured surface next to a black ruler with white markings in millimeters. The ruler shows measurements from 0 to 100 mm.

Solder Board-Component View 5	 A photograph showing a blue cylindrical component, likely a battery, with the text "TV18650 3.7V 5500mAh" and "7.4V 2019-12-12" printed on it. The component is positioned next to a ruler with markings in millimeters (0 to 100 mm) and centimeters (10 to 80 mm). The background is a blue textured surface.
Antenna View	 A photograph of a blue printed circuit board (PCB) populated with various electronic components. A red box highlights a component labeled "Bluetooth Antenna". A red line points from the label to the antenna component. The PCB also features other components like a microcontroller, capacitors, and a connector. The background is a blue textured surface.
