RE: Certification Application
FCC ID: PDN-DTL-1

REQUEST FOR CONFIDENTIALITY OF PHOTOGRAPHS

Even if photographs can not be generally considered as confidential by FCC, Nokia Mobile Phones specifically requests the *Photos_confidential.doc* to be considered as confidential. The technology in the product is extremely advanced and unique, and revealing that to competitors in the form of the photograph (*Photos_confidential.doc*) would harm Nokia Mobile Phones's business.

Thank you for your attention to this matter.

Simo Vapaakoski
Product Program Manager
