

Getting started only takes a few easy steps.

1. Create an Iris account through the irisbylowes.com web portal, iOS app or Android app.
2. Once logged in to your account, select the “+” icon to add a device.
3. Follow the pairing steps.

Mounting your device:

Mount the Motion Sensor chest-high in a corner or onto a flat wall with a clean, dry surface. Ensure no furniture or structures are blocking its view. Place mounting adhesive on the back of the Motion Sensor; press and hold for 10 seconds until secure.

Motion Sensor Manual Guide

Welcome to Iris.

Thanks for purchasing the Iris Motion Sensor. Increase the security of your property, valuables and loved ones by placing Motion Sensors in various areas of your home to receive alerts about unexpected movement.

For more information about your new device or tips on how to set it up, visit our support page at irisbylowes.com/support.
