Dear Examiner,

This is to request Federal Communications Commission to dismiss the above grant(s).
Reason for dismissal:

We are requesting that the current grant for FCC ID: S5EBHV40318 be dismissed. Since the device was not certified as a Software Defined Radio and we would like to add Wi-Fi capability but keep the current FCC ID on the device we are seeking dismissal of the current grant.

We attest to the fact that the device in question has not been sold anywhere in the United States nor anywhere in the world.

Sincerely yours,
