

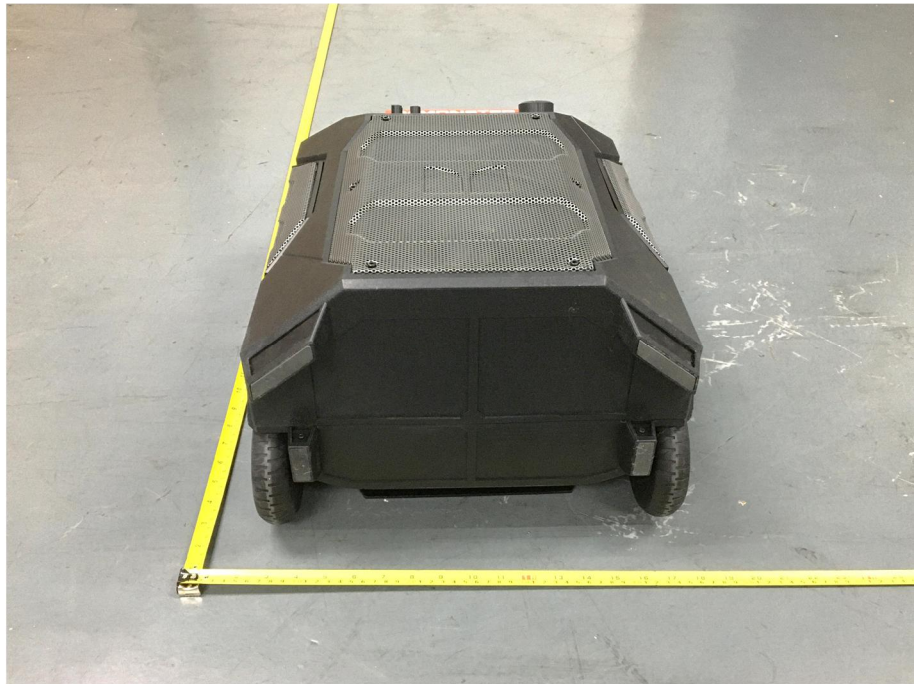

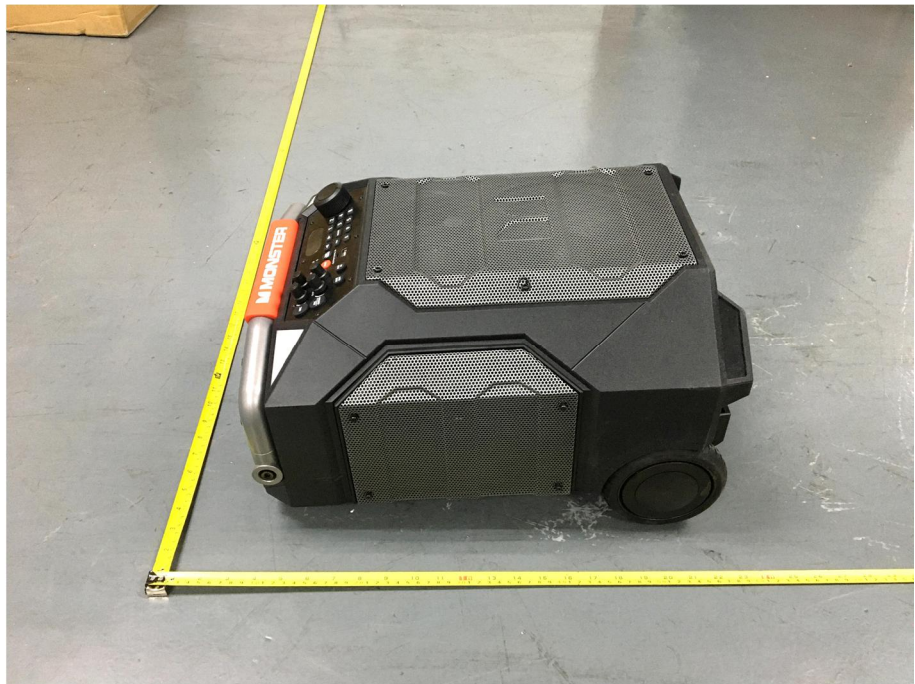

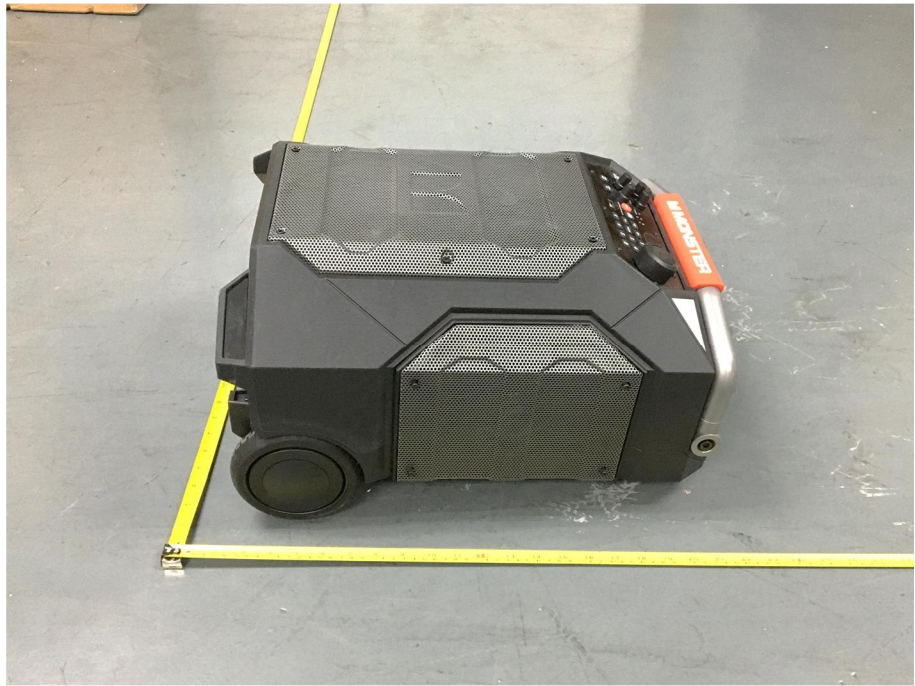

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A top-down photograph of a black and red portable electronic device, possibly a power supply or testing unit, resting on a grey surface. A yellow measuring tape is placed horizontally next to the device, indicating its width. To the right of the device, two black cables are visible: one with a standard three-prong electrical plug and another with a different connector. The device has a black top section with a red handle and a control panel with various buttons and a small display.
EUT View 2	 A frontal photograph of the same black and red portable electronic device. A yellow measuring tape is placed horizontally in front of the device, indicating its width. The device features a black top section with a red handle and a control panel with various buttons and a small display. The device is resting on a grey surface.
