

A collection of electronic components and accessories is laid out on a blue surface. On the left, a GoPro camera is visible. To its right is a black remote control with a red button. Several clear plastic bags contain various items: a white rectangular component, a black mounting bracket, a black cable, a black strap, and a black cable. A ruler is placed horizontally at the bottom of the image, showing measurements in inches and centimeters. The items are arranged in a grid-like fashion for documentation.
