**Subject: Validity of Test Results from Testing / Certification of the Integrated Module**

To Whom It May Concern:

We, **Pratt & Whitney Engine Services, Inc., 249 Vanderbilt Avenue, Suite 100, Norwood, MA 02062**, due hereby declare that the test results from conducted tests applied to the radio module:

**Manufacturer:** Gemalto  
**Model:** PLS62-W  
**FCC ID:** QIPPLS62-W  
**IC:** 7830A-PLS62W

which is incorporated in our host equipment:

**Manufacturer:** Pratt & Whitney Engine Services.  
**Models:** FAST-A-010-3 / FAST-A-010-4  
**FCC ID:** 2AJ6A-FAST34F  
**IC:** 22451-FAST34F

and as reported in module test report(s):

**Report Number:** I17D00184-SRD05-V1-1, Issue Date: 2017-07-09 (Cellular LTE)  
**Report Number:** I17D00184-SRD05-V1-2, Issue Date: 2017-07-09 (Cellular LTE)  
**Report Number:** I17D00184-SRD06-V1-1, Issue Date: 2017-07-09 (Cellular LTE)  
**Report Number:** I17D00184-SRD06-V1-2, Issue Date: 2017-07-09 (Cellular LTE)

accurately represent the test results under the new conditions when the identified radio module is integrated in the identified host equipment. By integration of the said radio module into the identified host equipment no changes were made to it or by external adaptation circuitry that impacts the validity of the results of the original module's test reports; hence conducted signal measurements in the above listed reports also apply to **FAST-A-010-3 / FAST-A-010-4**

Sincerely,

Jonathan Miller  
Airborne Development and Certification Engineering Lead
