

Federal Communications Commission  
Authorization and Evaluation Division  
1435 Oakland Mills Road  
Columbia, MD 21046

Date: Oct 31, 2023

**Subject: Part 15 Antenna Justification**  
**FCC ID: PQG-LS4550G3**  
**Part 15 Compliant Radio's Antenna Details**

Please note all measurements for 125 kHz Tx and 433.92 MHz Tx were performed radiated and therefore additional antenna gain documentation is not required for these transmitters.

Regards

Don Ferguson
