Dear Dan,

Subject: TCB Services Digital Transmission System – TMBM1A. Class II permissive change

As per Elite Quotation EEE1801151-1 please carry out FCC Class II permissive change certification for our digital transmission system:

- FCC ID: CASTMBM1A

This Permissive Change is required to add Bluetooth capability in our equipment. The original results are still valid and the circuitry has not changed, this feature is enable by software configuration.

Yours sincerely

A handwritten signature in black ink, appearing to read "DJ", written over a light blue horizontal line.
