SCB-850-1W-ALU-OD-1 RESTRICTED ACCESS OF EQUIPMENT AND DOCUMENTATION NOTICE

This Restricted Access of Equipment and Documentation Notice is to inform the FCC that access to equipment and related documentation supplied by Communication Components Inc. is to be restricted to only authorized users by means to ensure the security of the equipment and confidentiality of related documentation at all times, and only designated professionals shall be allowed to maintain or service the equipment. This notice includes, but is not limited to, internal photographs, schematics and parts lists to be held confidential and out of the public domain.

The device will be installed at secure cell tower, roof top or other pole mount locations where access to the equipment enclosures is restricted to certified technicians by the licensee. When the device is installed outdoors, in a fenced area or rooftop site, the unit is integrated directly between the small cell base station and antennae (as pictured below) and cannot be accessed without disabling and disassembling the complete cell site.

Thank you,

Communication Components Inc.
