#### **Permanent Confidentiality:**

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these matters might be harmful to us and provide unjustified benefits to our competitors.

Confidentiality of the User Manual is maintained by requiring that any party that is supplied a user manual must first sign a non-disclosure agreement. Currently only System Operators and Professional Installers have access to these manuals.

Internal photos are kept confidential by virtue of the fact that the end product is a non-consumer product, certified and housed in a sealed enclosure, and is only accessible by trained /approved maintenance personnel.

Further, the Applicant has spent substantial effort in developing this product, some aspects of which are deemed to be trade secret and proprietary. Having the subject information easily available to our competitors in this market would negate the advantage we have achieved by developing this product. Not protecting the details of the design will result in financial hardship.

#### **Short-Term Confidentiality:**

We hereby request short-term confidentiality for the product stated above to avoid premature release of sensitive information prior to marketing or release of the product to the public.

Release date of short term confidentiality is:

45 days from grant date marked ☐  
90 days from grant date marked ☐  
135 days from grant date marked ☐  
180 days from grant date marked ☒  
Specific date:

We are also aware that we are responsible to notify AT4 wireless in the event information regarding the product or the product is made available to the public. AT4 wireless will then release the documents listed above for public disclosure pursuant to FCC Public Notice DA 04-1705.

Sincerely,

*Gary Goldstein*
