

Model Difference Declaration letter

For our business issue and marketing requirement, we would like to list different model numbers as following:

Model No.: W2G-N84, W2G-N83

Model Difference: The difference between the two models is that the length of the light strip is different. The length of the light strip of the W2G-N84 is 4.8m, and the length of the light strip of the W2G-N83 is 3.6m. The RF circuit, block diagram, schematics and PCB layout of the two models are all identical.
