

# TQJ-2400H12 OMNI FIBERGLASS ANTENNA SPECIFICATION

### **Applications:**

2.4GHz WLAN system base station antenna WiFi system point to multipoint

#### **Features:**

High gain Low VSWR High quality fiberglass tube radome Steel mounting kit Mast mountin

Electrical specifications	
Frequency Range- MHz	2400~2500
Bandwidth -MHz	100
Gain -dBi	12
Vertical Beamwidth °	8°
VSWR	≤1.5
Polarization	Vertical
Max Power- W	100
Nominal Impedance-Ω	50

Mechanical specifications	
Connector	N male
Antenna Dimension-mm	Ф20*1200
Weight- kg	1
The Work Temperature-℃	-30°~60°
Rated Wind Velocity- m/s	60

### STATIONARY WAVE PATTERN

# Foshan Huarong antenna Co., LTD

Address: 8th Floor, Building 4, Chancheng Enterprise Port-Landing U Valley, Nanzhuang Town, Chancheng District, Foshan City
