

Class II Permissive Change Request Letter

Date: January 22, 2021

To Whom it May concern:

We are submitting and application for5 a Class II Permissive Change to the FCC approval of:

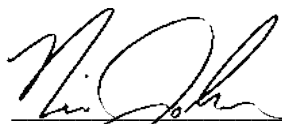

Company Name: Ainstein, AI
FCC ID: 2ATMB-USD1AZ
Product Description: Radar Altimeter
Original Grant Date 10/25/2019

The transmitter module itself has not changed. Here are the changes

1. Frequency range has been decreased from 24017.0 – 24247.0 MHz to 24028.0 – 24220.0 MHz. This has been changed using firmware only. There were no hardware changes required and the user has no control over the frequency range as it is locked in the firmware.
2. The following documents have been updated to address the changes:
 - a. User's manual
 - b. Operational description

This modification will be used on all units produced from the date of certification forward. Unit in the field will be recalled and replaced with updated units. Users will be notified that the recalls are mandatory.

Sincerely,

Nic Johnson, Technical Manager
