

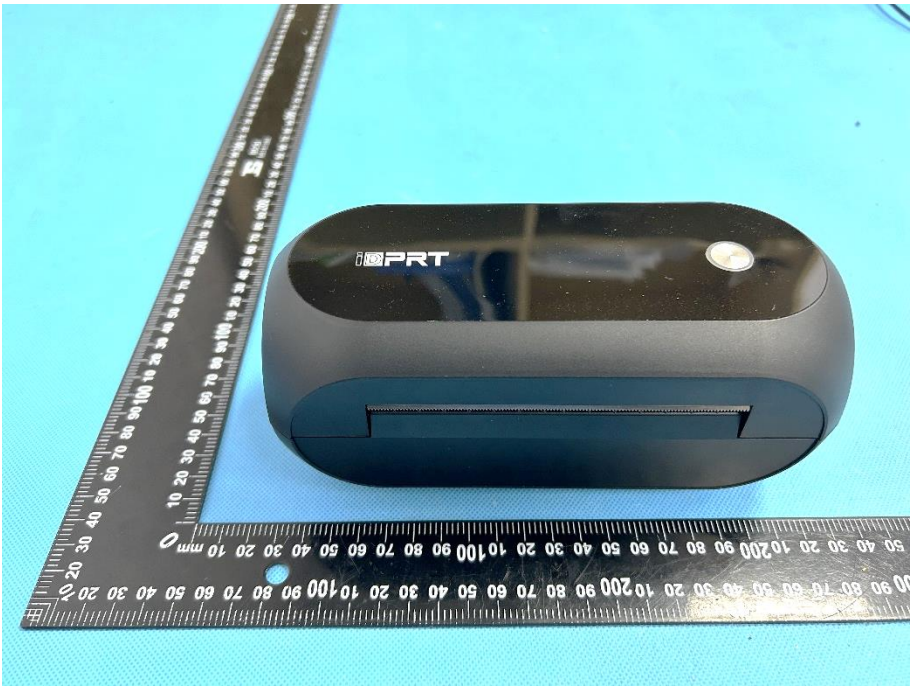

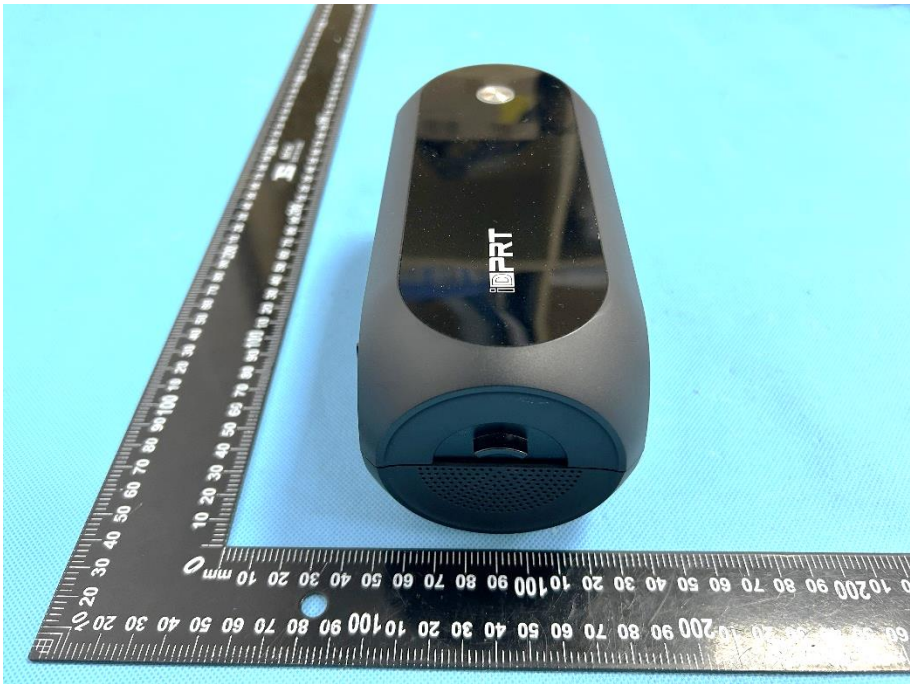

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing a black, rectangular PRT device with a silver circular button on the right side. To its left is a black power adapter with a coiled cable. To the right of the device are two black cables: one with a USB-A connector and another with a different connector. A black ruler with white markings is placed vertically to the left of the device for scale. The background is a light blue surface.
EUT View 2	 A close-up photograph of the black PRT device. The device has a silver circular button on the right side. A black ruler with white markings is placed vertically to the left of the device for scale. The background is a light blue surface.

EUT View 3	 A black, oval-shaped electronic device is shown from its bottom view. The device features a central white label with a barcode and various certification marks, including CE and FCC. There are four circular ports or sensors along the bottom edge. A black L-shaped ruler is placed next to the device for scale, showing measurements in millimeters and centimeters.
EUT View 4	 A black, oval-shaped electronic device is shown from its side view. The device has a smooth, rounded top and a slightly recessed bottom. A black L-shaped ruler is placed next to the device for scale, showing measurements in millimeters and centimeters.
