Subject: Use of LBEE5KL1DX-883 (FCCID: VPYLB1DX and IC: 772C-LB1DX) documentation and reports

Dear sir or Madame,

Murata Manufacturing Co., Ltd. authorizes and provides **DEKRA Testing and Certification, S.A.U.** the technical documents (Schematics, BOM, Block diagrams, PCB layout, Component Placement, etc.) and test reports of **LBEE5KL1DX-883** module to apply for the certification of customer **HED Technologies** for the product model **UAR-100**.

The Test Reports supplied by **Murata Manufacturing Co., Ltd.** to **DEKRA Testing and Certification, S.A.U.** for the submission to FCC/ISED/EU are still representative of **LBEE5KL1DX-883** manufactured today.

K. Hayashikoshi
