This is a response to the reply on 12/17/2024 to the RT email (reference #605465). An extension to provide a new ASOP is granted until the end of January, 2025. Please note that when a new ASOP exhibit has been provided from the grantee, the following shall be validated: 1) Is the address of the agent a valid physical US mailing address (not a US post office box, not a virtual mailbox, not P.O. Boxes, not a vacant lot, not a public building, etc.) 2) Is the agent physically located at that valid US address such that the agent can be legally served at that address? 3) Has the listed agent clearly agreed in writing to serve as the agent for the grantee at that address?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal pursuant to Section 2.917(c).
