FCC PART 95 CERTIFICATION APPLICATION GUIDE FOR FAMILY RADIO SERVICES (FRS)

INTRODUCTION

This document outlines the information which **Giant Electronics Ltd.** should submit to Intertek Testing Services for report preparation. And guides you through the FCC approval process required in the U.S. Incomplete information being submitted may cause significant delay. Part 95 of Title 47 of the Code of Federal Regulations requires certification of equipment prior to its being offered for sale or lease. Compliance is demonstrated through the test methods and procedures specified in Part 95, and by filing of and application with the FCC.

Please note that information supplied to the FCC in the form of the application becomes accessible to the public. If you have confidential information which you wish to protect for a period of time, Intertek Testing Services (ITS) can make arrangements to do so with the FCC for an additional fee.

To avoid delays in testing and report preparation, please send us the items listed in the following table (Checklist, p.2). It is suggested that you keep one copy for your own records.

For questions related to this booklet, please call Joyce Chan at Tel: 2173-8507.

For more technical questions, please call Ben Ho at Tel: 2173-8505 or Fax: 2371-0521.
