

The bottom view of the Philips TABS109/37 soundbar shows the rear panel. It features two large, angled mounting brackets on the left and right sides, each secured with two screws. The central area contains a rectangular cutout for the subwoofer. Above this cutout is a warning label: "CAUTION RISK OF ELECTRIC SHOCK DO NOT OPEN" and "AVIS RISQUE DE CHOC ELECTRIQUE / NE PAS OUVRIR". To the right of the cutout is a large black label with white text providing technical specifications and regulatory information. This label includes the Philips logo, model number (TABS109/37), power ratings (AC 100-240V~50/60Hz 20W, USB: 5V ~ 500mA Max), FCC ID (2AR25TAB5109), and IC (24589-TAB5109). It also mentions DTS and Dolby Audio logos, a barcode, and a "QUALIFIED QC PASSED" seal. The bottom of the soundbar is marked with "FRONT" and "BACK" arrows indicating orientation.
