

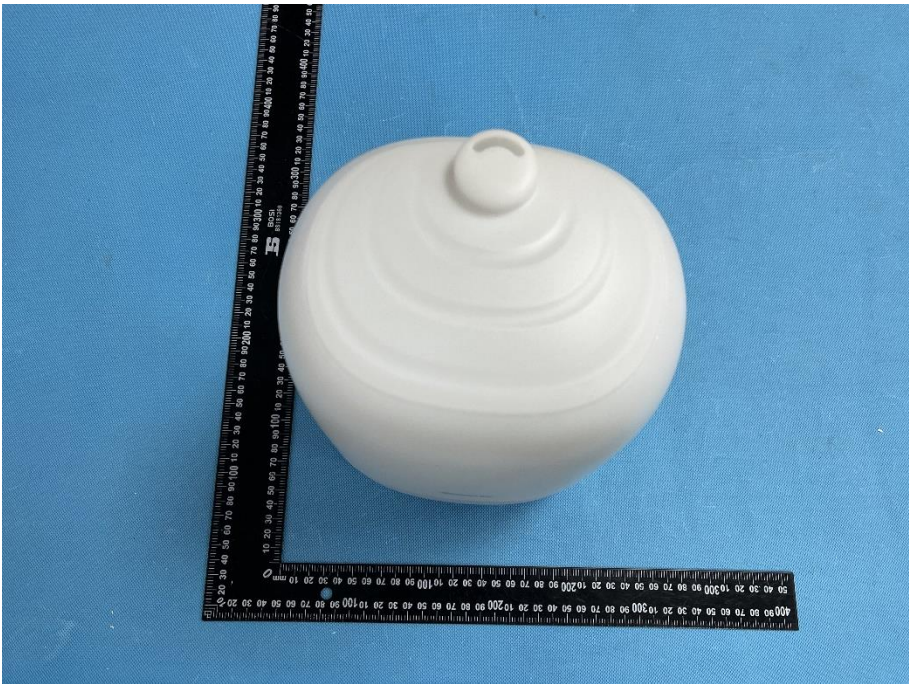

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph of a white, rounded electronic unit (EUT) with a small circular feature on top. A white power cord is connected to a white power adapter. The unit is placed on a blue surface next to a black ruler for scale. The ruler shows measurements in both inches and centimeters.
EUT View 2	 A photograph of the same white, rounded electronic unit (EUT) from a different angle, showing the top and side. It is placed on a blue surface next to a black ruler for scale. The ruler shows measurements in both inches and centimeters.

EUT View 3	 A photograph showing the front view of a white, rounded rectangular electronic device. The device has a smooth, matte finish. On the lower half, there is a power button with a circular icon, and above it, two small indicator lights labeled 'High' and 'Low'. The brand name 'SoveeLife' is printed in small letters on the upper half. A black ruler with white markings is placed vertically to the left of the device for scale, showing the device is approximately 150mm high.
EUT View 4	 A photograph showing the back view of the same white, rounded rectangular device. The back is smooth and featureless. A black ruler with white markings is placed vertically to the left of the device for scale, showing the device is approximately 150mm high.

EUT View 5	 A photograph of a white, cylindrical electronic unit (EUT) against a blue background. A black ruler is placed vertically to the left of the unit for scale. The unit has a smooth, rounded top and a slightly wider base. A small, rectangular label is affixed to the lower part of the unit, containing a 'Caution' warning and some technical specifications. The ruler shows measurements in both centimeters and inches.
EUT View 6	 A photograph of the same white, cylindrical electronic unit (EUT) from a different angle, showing its side profile. The unit is positioned next to a black ruler for scale, which is placed vertically to its left. The background is a solid blue color. The ruler provides a clear reference for the unit's dimensions.
