Solder Board-Component View 4	 A photograph of a small, square, blue printed circuit board (PCB) component. The component is positioned on a black surface with a white millimeter ruler. The ruler has markings from 0 to 100 mm. The component is oriented with its longer sides parallel to the ruler. The component has several small, circular solder pads and a central square pad. The text "JIS-D0051-W121" is visible on the component. The background is a light blue textured surface.
Solder Board-Component View 5	 A photograph of a small, rectangular, green printed circuit board (PCB) component. The component is positioned on a black surface with a white millimeter ruler. The ruler has markings from 0 to 100 mm. The component is oriented with its longer sides parallel to the ruler. The component has several small, circular solder pads and a central square pad. The text "JIS-D0051-W121" is visible on the component. The background is a light blue textured surface.
