Authorization and Evaluation Division

Subject:

Class II permissive change for **FCC ID: HD5-IM11R** (Original Grant Date: 12/31/2020 (DSS))

Applicant: Honeywell International Inc

Dear Sirs,

This is to request a class II permissive change for **FCC ID: HD5-IM11R**, Original Grant Date: 12/31/2020 (DSS).

The major change filed under this application is the addition of another RFID coupler to the original RFID module and reduce its conducted power to satisfy radiated spurious emission requirement.

Below is the list of UHF RFID couplers added to the RFID module:

Sl.No	Ant / Coupler	Make	Model	Max Gain (dBi)
3	RFID coupler	Honeywell	LUPUS14V2	-14.0

Nothing has changed except for the above-mentioned. If you have any questions regarding this application, please feel free to contact me.

Sincerely,

Signature:
