

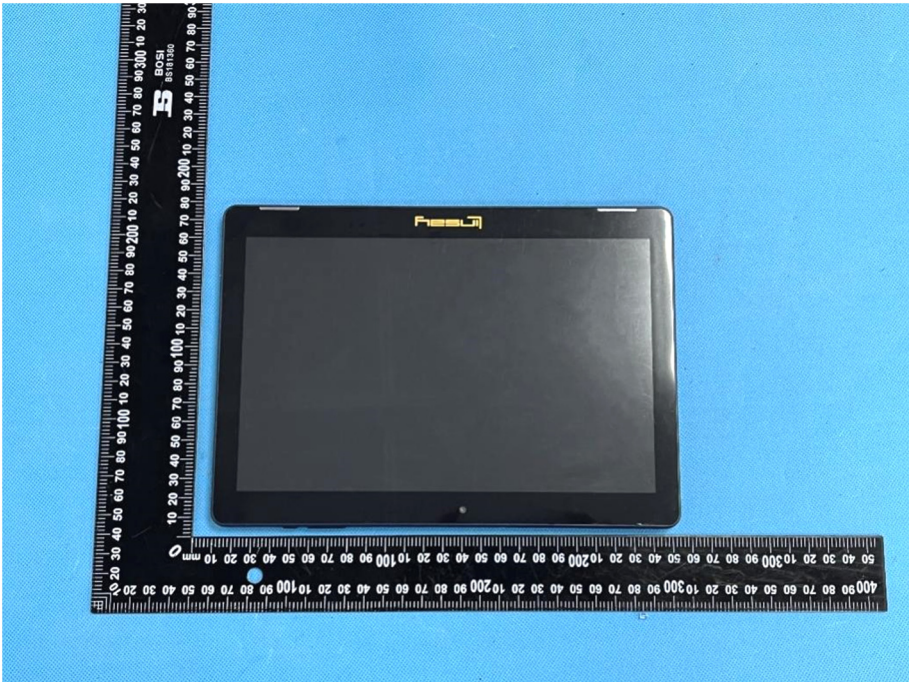

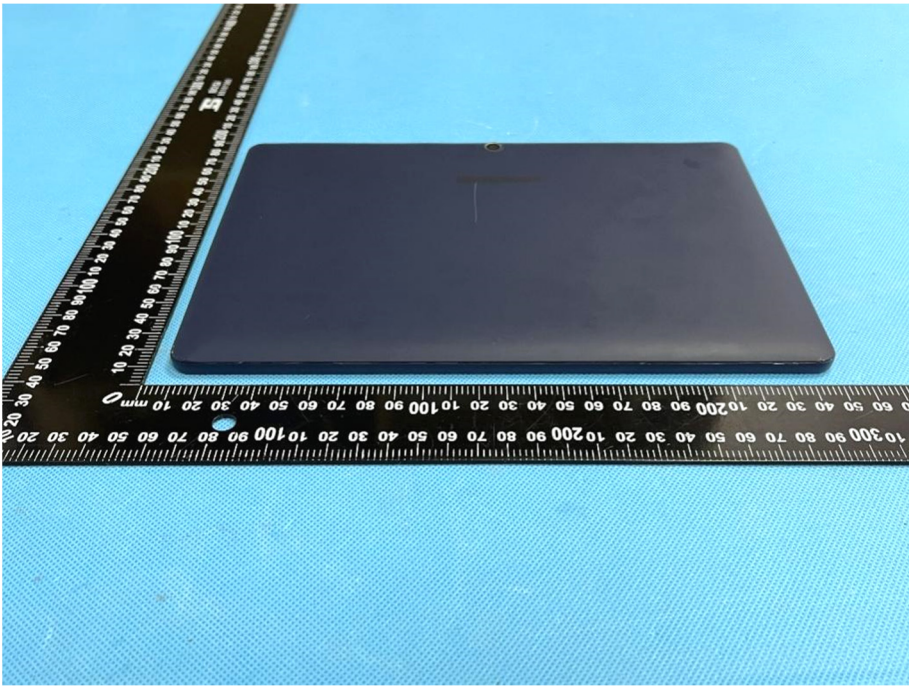

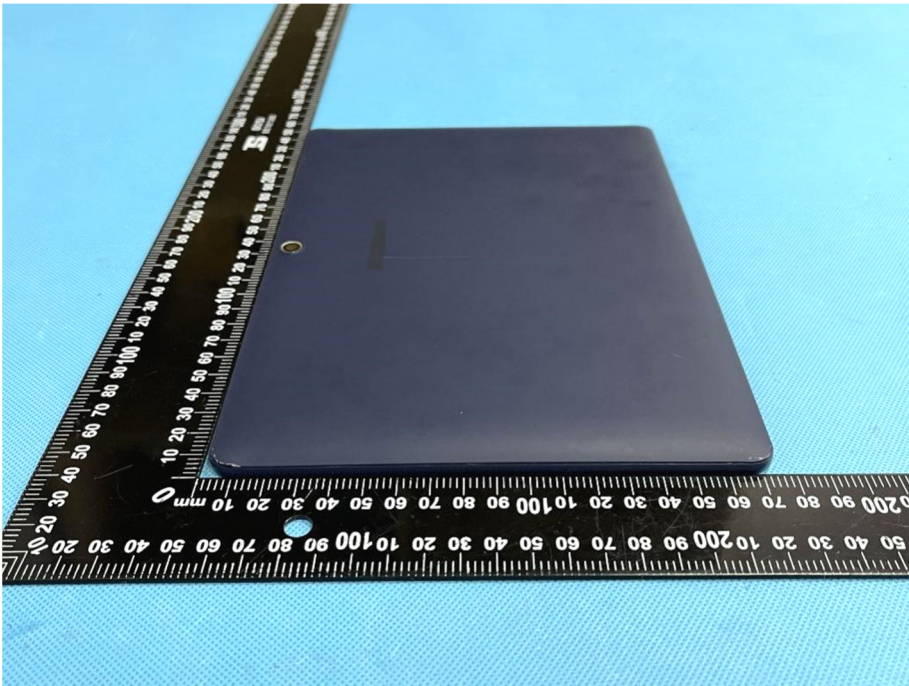

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

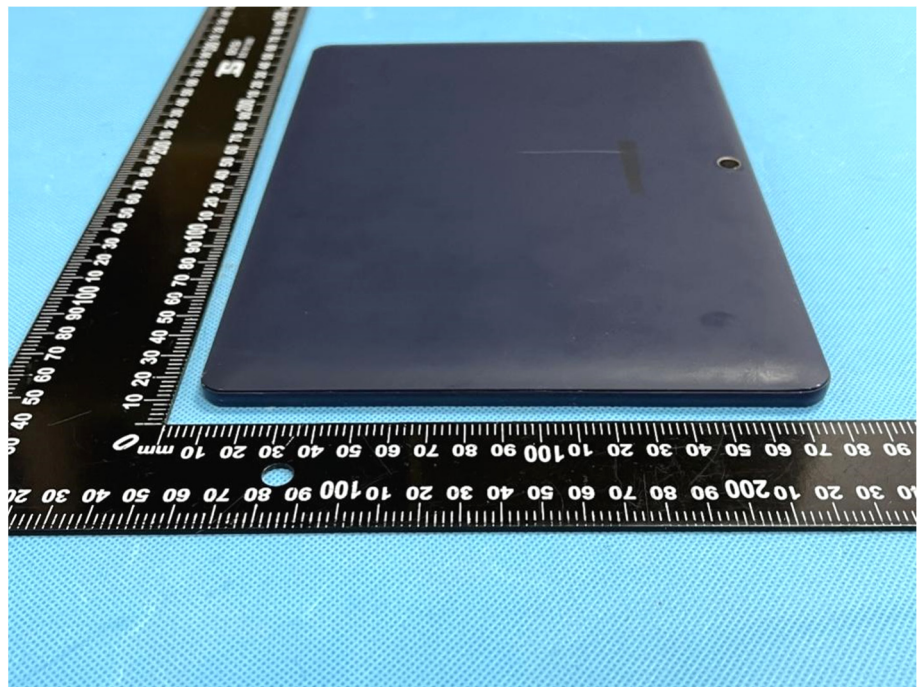

EUT View 1	 A photograph showing the front of a black tablet device. The device has a large, dark screen and a thin bezel. A yellow logo is visible at the top center of the bezel. The device is placed on a light blue surface. A black ruler with white markings is positioned vertically to the left of the device, and another black ruler with white markings is positioned horizontally below the device. The vertical ruler shows measurements in centimeters and millimeters, with markings from 0 to 100 cm. The horizontal ruler shows measurements in centimeters and millimeters, with markings from 0 to 400 mm.
EUT View 2	 A photograph showing the back of a black tablet device. The device has a matte black finish and a circular camera lens located near the top center. The device is placed on a light blue surface. A black ruler with white markings is positioned vertically to the left of the device, and another black ruler with white markings is positioned horizontally below the device. The vertical ruler shows measurements in centimeters and millimeters, with markings from 0 to 100 cm. The horizontal ruler shows measurements in centimeters and millimeters, with markings from 0 to 400 mm.
