Attention:      Application Examiner  
                         Reviewing Engineer

Applicant: Alvarion Ltd.  
Class 2 Permissive Change Application  
FCC ID: LKT-VL-53

To whom it may concern,

Request is hereby submitted, on behalf of my client Alvarion Ltd. to withhold from public review indefinitely certain portions of the application for equipment certification for the referenced FCC identifier. In particular, the following sections of the application and report are requested to be kept confidential:

Operational Description (Differences between RevB and RevC)  
Schematic

Rationale for request for confidentiality:

Alvarion has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the confidential portions of this application to competitors would give them competitive advantage in developing similar products.

☐ If you have questions or need further information, please contact the undersigned.

Sincerely,

THOMAS N. COKENIAS  
EMC Consultant/Agent for Alvarion Ltd.
