The application GPS Industries Inc / FCC ID: OXK100030 needs to be dismissed because of the FCC ID is incorrect.

The correct FCC ID should be OXK200-10030. The 200- was not seen on the 731 form clearly; therefore, I did not see it and failed to place it on the grant.

Could you please dismiss this application. Exhibits were submitted as well.

Regards,

LaKiesha Lewis
