

Label & Label location

Label
 <p>The label is black with white text. It features the model number '1900S' in a large font, followed by a white rectangular box. Below this, it says 'Made in Korea', 'FCC ID: SWN-TD20UR', and includes CE and RoHS compliance symbols.</p>
Label location
 <p>The diagram shows a grey, U-shaped electronic device with a black strap. A red arrow points to a small white rectangular area on the top surface of the device, labeled 'Label Location' in red text. Other components are labeled with black text and leader lines: 'Contact Points' at the top, 'Battery Charging Receptacle & Rubber Plug' on the left side, and 'LED Indicator Light' on the bottom front.</p>
