PowerView™ Scene Controller takes intelligent operation to the next level.

- Activate your pre-programmed Scenes directly from the ergonomic hand-held PowerView™ Pebble™ or the sleek wall-mounted Surface.
- Control the light in your home with the press of a button.
- Create Scenes using the PowerView App and select which of your personalized Scenes to display on the Scene Controller's OLED screen.
- Includes two Favorite Scene buttons.
- Requires the PowerView Hub for operation.
