Change in Identification of Equipment

We, Tyco Safety Products Canada Ltd., confirm that we use the Heat Detector under FCC ID:WP3HTD432PG2, originally granted on 10/18/2021, the same as it is shipped from the facilities of Visonic Ltd., the original manufacturer.

No changes have been made to the device and its original tests, data, etc. submitted for the original application remain applicable to the Tyco Safety Products Canada Ltd. device as well.

Tyco Safety Products Canada Ltd. will identify their device with FCC ID:F5321PG9932.

Thank you,

Dan Nita
Approvals Manager
